## Permanent Ongoing

### *Nurse Unit Manager – Aged Care*

Kerang District Health (KDH) is seeking applications for the role of Aged Care Nurse Unit Manager for a permanent ongoing role. An enviable work life/balance proposal of sixty four (64) hours per fortnight is on offer, but as we understand everyone has differing needs, we are open to negotiation.

Kerang District Health (KDH) is a 20 bed small rural health service housed in a state-of-the-art redeveloped facility opened in 2016. The organisation has provided health care to residents of the Gannawarra Shire Council area for over 60 years, offering a broad range of acute medical, urgent care centre, oncology and surgical services which include general surgery, gynaecology and urology services. With an annual turnover of more than \$14 million and employing approximately 180 staff, KDH also provides a wide range of community services, a GP clinic and residential aged care within a new 30 bed facility connected to the acute hospital.

Working for KDH is more than just a job. We are committed to providing excellent healthcare to our community, knowing that our loved ones are part of the community. As a Kerang District Health employee, you will have access to:

- Salary Packaging
- Career training and development
- Flexible work arrangements
- Comprehensive Employee Assistance Program
- Active and rewarding Social Club and onsite gym
- Discover the many lakes, rivers and forests; perfect to relax, fish, camp, water ski and kayak. Explore pristine wetlands and glorious national parks. Experience activities, tours and walks, cafes and dining. Why not check out what is on offer for yourself? <https://www.visitthemurray.com.au/places-to-go/west/gannawarra>

As the Aged Care Nurse Unit Manager your responsibilities will include but are not limited to:

- Efficient leadership and management of the aged care department (Glenarm)
- Lead, motivate and mentor staff to achieve positive patient outcomes
- Ensure effective liaison between all health professionals for effective service provision
- Effective understanding and commitment to continuous quality improvement
- Facilitate a patient centred culture within the aged care team when initiating, planning, implementing and evaluating procedures, practice and new models of care

To be considered for this exciting opportunity, you will have a Bachelor of Nursing with relevant post grad qualification(s) highly regarded, professional registration with AHPRA, recent management experience at ANUM level or higher and excellent people and negotiation skills. You will promote yourself as an innovative leader that understands the dynamics of a rural health service, whilst having a good grasp on aged care accreditation standards and continuous improvement.

Remuneration will be provided in line with the Nurses and Midwives (Victorian Public Sector) (Single Interest Employers) Enterprise Agreement 2016-2020.
